Re: Freedom of Information Act Request
Our File No.: 124414-186999

Dear Madam or Sir:

Under the Freedom of Information Act, 5 U.S.C. subsection 552, I am requesting access to the following records.

1. All communications between the EPA and H. F. Hauff Company, Inc. regarding engine emission.
2. Any public record regarding any request for approval of an H. F. Hauff Company, Inc. engine under engine emission regulations.
3. Any public record regarding a denial of an H. F. Hauff Company, Inc. engine under engine emission regulations.
4. Any public record regarding a request for a H. F. Hauff Company, Inc. engine to be exempted from engine emission regulations.
5. Any public record regarding compliance of a of an H. F. Hauff Company, Inc. engine with engine emission regulations; and
6. Any public record regarding notification of failure to comply with engine emission regulations.
7. Any public record wherein H. F. Hauff Company, Inc. self-reported the failure of its engine to comply with engine emission

regulations and any public record regarding subsequent corrective action.

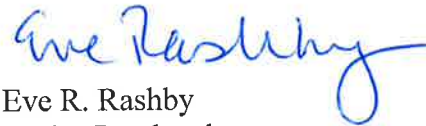

For purposes of this request the term "engine emissions regulations" includes, but is not limited to, 40 CFR 1068 et seq. It is likely these records will be at Site Division: Headquarters and that EPA employee Anne K. Wick (202-564-2063) would be of knowledge on how to find the requested documents.

For the purpose of assessing fees, I am affiliated with a private business and am seeking information for use in the company's business. I am willing to pay fees for this request up to a maximum of \$500. If you estimate that the fees will exceed this limit, please inform me first.

I request that the information I seek be provided in electronic format, and I would like to receive it on a computer CD or DVD, or by email if the size of the file permits.

Please contact me if you need additional information about this request. Thank you for your time and assistance

Very truly yours,
